Carpet & Textile Maintenance

Over the last 25 years MilliCare has developed the highest performing commercial carpet and textile care system available. Today, our national network cleans more than 450 million square feet of carpet in all types of environments every year. Locally, we maintain over 5,000,000 square feet of carpet annually. But we don't stop there. We provide service for many small, medium and large businesses that want the best quality clean. We look forward to understanding what's important to you and how our services can be a part of your maintenance solution. Thanks for choosing to explore MilliCare.

Des Peres Graphics is an engraving and printing company specializing in identity materials for the legal profession. The company is a member of St. Louis Printing Industries and a certified veterans training facility. Our company services include engraving, embossing, foil stamping, lithography, design, online services and inventory programs.

Des Peres has the capabilities to work directly with your firm, designing a professional image or coordinate with your designer to achieve a polished, finished product. Des Peres Graphics understands the daily responsibilities of today's legal administrators and welcomes the opportunity to work with you.

It is an ever-changing and competitive marketplace. Companies are looking for ways to stay ahead of the competition while providing consistent value to their customers. Innovative ideas are needed to deliver and maintain continued market leadership.

This commitment that our clients have is the same commitment that drives DNT to be one of St. Louis' fastest growing independent resellers in the document management arena.
